Registration Form/General Field Trip Permission Form

Dear Parent(s):

Please find attached a copy of your child's School Registration Form. Please review this form, mark any changes or corrections, sign the consent for medical transportation and have your child return the form to their teacher.

Throughout the school year the students at AGS participate in several activities. Sometimes, transportation is required using a school bus. These trips may include, but are not limited to, swimming at the civic centre, or visiting museums, libraries, local businesses etc. Parents are notified about each trip in advance. For convenience sake, parents can sign a **general permission form** to travel on these day trips, and have their child return it to their teacher.

I give permission for my child to participate in school field trips

I do not give permission for my child to attend all field trips
