Dear Madam:

Subject: Funding Application – Dundee Road – Project AQA67

We are writing in reference to your email of April 14, 2014 concerning a funding application for Dundee Road Infrastructure project.

After reviewing your application, Aboriginal Affairs and Northern Development Canada (AANDC) confirms a maximum funding of $1,105,350 for this project. This capped contribution covers all costs described by Équipe Laurence's budget estimation dated April 8, 2014, which includes, all pavement rehabilitation related work, supervision of the project, lab testing and administration fees for Listuguj Mi'gmaq Government (LMG), plus plans and specifications costs already engaged for the project.

Funding associated with this project will be released according to the followig schedule, based on availability of funds:

2014-2015:	$368,450
2015-2016:	$368,450
2016-2017:	$368,450

The amount for 2014-2015 will be included in the next amendment to your funding arrangement and will be paid under the folllowing conditions:

1 An initial advance of $92,113 will be released upon receipt of a Band Council resolution selecting the contractor firm to perform the work following the community tendering process and a written confirmation that LMG has secured a financial arrangement for the project to be completed by March 31, 2015;

2 Subsequent payments will be made following receipt of payment requests recommended by your representative, the engineer responsible for overseeing the work, and our project engineer;

3 A 10% holdback of $36,845 will be released following approval of the Capital project report signed by your engineer responsible of the supervision of work, due no later than May 15, 2015.
