- 8) The licensee agrees that the Temporary Cannabis Licence is NOT transferable nor can it be assigned to anyone other than myself nor used to sell product from any location other than from the address listed above.
- 9) The licensee agrees that the selling or distribution of illegal drugs shall result in the immediate revocation of the Temporary Licence and will jeopardize any future applications

The process for applying for a Temporary Licence will include the following:

- the potential licensee must submit a written proposal addressed to the LMG Cannabis Control Committee, outlining how they expect to meet the above conditions
- the potential licences will be required to sign a declaration indicating agreement with the above conditions
- the potential licensee will be required to submit advance payment for the initial 12 weeks

The approval will be based on the successful submission of the proposal, signing of the declaration and payment of the required fee (the Cannabis Control Committee shall be the sole judge in determining whether the three criteria have successfully been met). Where possible, such approval or rejection shall occur within 14 days of submission to the front reception of the LMG Administration Building (addressed to the Cannabis Control Committee). Approval will be in writing, with a copy sent to the LPD and the Chief and Council's Office
