Address Registration Form

Please fill a form for each unit if you own more than one unit.

All community members are required to fill out a form to register your address to update our civic list. We are also in the process of working on a Housing Communication initiative funded by ISC (Indigenous Services Canada). Part of this program is to purchase civic numbers for all the housing units in our community. We plan on having them installed this summer. There will be a post on Facebook and shared on the local radio station for the date we will start the installation process.
